### ABOUT PETER ALBRECHT

Peter The Carpenter has built many of the convivial “third places,” where the people of Troy come alive. Bacchus Wood Fired Pizza, Bootlegger’s on Broadway, Brown’s Brewing Company, Daisy Baker’s, Jose Malones and Ryan’s Wake Public House are all places enhanced by Peter’s artistry.

Peter has worked as a professional carpenter for 40 years. He has lived and worked around the world. As a philosopher, dreamer and storyteller, Peter enlivens the room and enriches our lives. Now you, too, can own some of that personality by purchasing his one-of-a-kind works of art.
